

## FLIGHTS AND INSURANCE FORM

Please return this form containing information needed for the Wet Foot Committee to book your flights and insurance as soon as possible after you have confirmed your place. If you have any queries regarding any questions on this form, please contact David Rollason [contact details removed].

1. Flights: the cost of a return flight from London with the team is included in the Wet Foot trip cost and is organised by the Wet Foot Committee. Occasionally it is possible to accommodate requests from individuals to fly out earlier and meet the team on arrival, or stay on in country after the rest of the team returns home – either by flexing a flight on the group booking or asking you to make your own flight arrangements. We cannot guarantee this since we need a minimum number of the team to fly out and back together under the group booking conditions. It is also generally beneficial for the team to fly out together so that the whole team is in London to prepare for the trip until the week before. Please tick one of the following two options:

I intend to fly out and back with the team

I might be interested in extending my time abroad (if so, please give details – whether definite plans or only vague thoughts for discussion at this stage)

2. Insurance: the cost of travel insurance (excluding any supplement that may arise as a result of specific medical conditions) for the period of the trip is included in the Wet Foot trip cost. If you already have adequate insurance cover and do not require this, we can deduct the insurance cost (normally £40-£50) from the cost of the trip. If travelling on your own insurance, you'll need to ensure you take copies of the documentation with you and let the team leaders know where they are, in case of an emergency. Note that the insurance we purchase covers light building work, which most standard travel insurance policies don't – if considering travelling on your own insurance and the trip you are going on involves building site work, you must check that this is covered. Normally, therefore, the vast majority if not all Wet Footers take insurance with the group. Please tick one of the following options:

Please purchase insurance on my behalf. I have no pre-existing medical conditions.

Please purchase insurance on my behalf. I have the following medical condition(s): .....

(If such condition(s) result in an increase in the cost of travel insurance we will advise you of the additional amount due.)

I already have travel insurance which I would prefer to use. I confirm that it covers me for the country we are going to and for all the activities we expect to undertake (including building site work if relevant).
